Methods to download TC

- There are 4 methods using which TCs can be downloaded

A screenshot of a web application interface. At the top, there is a navigation bar with the RISHABH logo on the left and a 'Logout' link on the right. The main content area has a light blue background. In the center, there is a white box with a blue border containing the text 'Select The Test Certificate Download Method'. Below this text, there are four options for downloading certificates, each with a corresponding button: 'Download Certificates by Serial number and TCC' with a 'BY SERIAL' button (circled in red), 'Download Certificates by Invoice' with a 'BY INVOICE' button, 'Download Certificates by Excel(upload)' with a 'BY SERIAL NO. EXCEL(UPLOAD)' button, and 'Download Certificates by Excell(upload)' with a 'BY SERIAL(GTC) NO. EXCEL(UPLOAD)' button. The browser's address bar at the top shows '192.168.0.136:8080/etc/selectionGetway.php' and the page is marked as 'Not secure'. There are also several browser tabs open, including 'Apps', 'rishabh.co.in bookmarks', 'Verify WAN/LAN.', 'Inbox - mohit,joshi...', 'Beta Testing Monit...', 'SM Log Sheet - Go...', 'New IC Index - Goo...', 'Training Calendar F...', and 'Task List FY1718 - G...'.

Download TC's "BY SERIAL"

- **BY SERIAL** – with the option “BY SERIAL” we can download test certificates with help of Serial No. & TCC No.
- Then click submit button

Downloading Bulk TCs

- For downloading bulk TCs, user must create excel file only with serial numbers

A screenshot of a web application interface. The browser address bar shows '192.168.0.136:8080/etc/selectionGetway.php'. The page has a light purple background. At the top center is the RISHABH logo. In the top right corner, there is a 'Logout' link. The main content area is a white box with the title 'Select The Test Certificate Download Method'. Below the title are five buttons for different download methods: 'BY SERIAL', 'BY INVOICE', 'BY SERIAL NO. EXCEL(UPLOAD)', and 'BY SERIAL(GTC) NO. EXCEL(UPLOAD)'. The 'BY SERIAL NO. EXCEL(UPLOAD)' button is circled in black. The text 'Download Certificates by Serial number and TCC' is above the first button, 'Download Certificates by Invoice' is above the second, 'Download Certificates by Excell(upload)' is above the third, and 'Download Certificates by Excell(upload)' is above the fourth.

Downloading Bulk TCs

- Enter the customer code and upload the excel file; press 'Submit'. Customer code is essential for validation of data

A screenshot of a web browser showing the Rishabh Instruments interface. The browser's address bar shows the URL '192.168.0.136:8080/etc/TCwithGTC.php'. The page title is 'Rishabh Instruments' and there is a 'Logout' link in the top right corner. The main content area has a light blue background and features the Rishabh Instruments logo at the top center. Below the logo is a white box titled 'Download Test Certificate'. Inside this box, there is a 'Customer Code:' label followed by a text input field containing '200200408'. Below that is an 'Excel:' label followed by a file upload button labeled 'Choose File' and the text 'No file chosen'. A small note below the file upload area reads 'create excel with serial no(no header title)'. At the bottom of the white box is a large blue button labeled 'SUBMIT'.

Recommended Practice – BARCODE scanners

Using barcode scanner is beneficial for :

- Quick population of excel sheet on screen
- Reduction in time
- Monitoring soft record of moving goods
- No chance of wrong serial no. uploaded
- No typing, Easy plug & play facility, no software installation or updates required
- No additional power needed, power up from USB

A screenshot of a web form titled "Download Test Certificate" with the RISHABH logo at the top. The form includes a "Customer Code:" field with the value "200200408", an "Excel:" section with a "Choose File" button and the text "No file chosen", and a "SUBMIT" button at the bottom. A note below the Excel section says "create excel with serial no(no header id)".

GTC Generation on demand

➤ If you need a generic test certificate for products, an option to get the same is available.

A screenshot of a web browser showing a web application interface. The browser's address bar displays "Not secure | 192.168.0.136:8080/etc/selectionGetway.php". The page has a light purple background and features the RISHABH logo at the top center and a "Logout" link at the top right. The main content area is a white box with the heading "Select The Test Certificate Download Method". Below this heading are four options, each with a dark blue button: "Download Certificates by Serial number and TCC" with a button labeled "BY SERIAL"; "Download Certificates by Invoice" with a button labeled "BY INVOICE"; "Download Certificates by Excel(upload)" with a button labeled "BY SERIAL NO. EXCEL(UPLOAD)"; and "Download Certificates by Excell(upload)" with a button labeled "BY SERIAL(GTC) NO. EXCEL(UPLOAD)". The last button is circled in black.

GTC download

Enter the customer code and upload the excel file; press 'Submit'. Customer code is essential for validation of data. After submission GTC will be downloaded

The screenshot shows a web browser window with the URL `192.168.0.136:8080/etc/TCwithGTC.php`. The page header includes 'Rishabh Instruments' and a 'Logout' link.
